NO SPOKESMAN FOR MINERS AT CONFAB

BUFFALO, N. Y., Sept. 6.—John L. Lewis, of Springfield, Ill., acting president of the United Mine Workers of America, has written President Gompers, of the American Federation of Labor, declining the invitation to be one of the labor representatives at President Wilson's "round-table" conference, opening at Washington October 6.

Lack of confidence in the success of the conference and dissatisfaction with the personnel of the delegates selected to represent the general public were among the impelling reasons for Mr. Lewis' action.
